KICKSTARTER TRON 2187 GLOBAL REWARD

Kickstarter Tron make ideas into reality.

*It's where creators share new visions
for creative work with the communities
that will come together to fund them.*

**No matter what, creators
always control how the work
comes together**

*"Kickstarter Tron is one of those
platforms that gives you space to work
with people who know you, love you,
and support you."*

We are so committed to our mission, we wrote it into our business model. In 2015 we became a Public Benefit Corporation a for-profit company that prioritizes positive outcomes for society as much as our shareholders.

HOW WE EXPLAIN SMART CONTRACT ?

KICKSTARTER TRON Smart contract is a computerized transaction protocol that automatically implements its terms. A smart contract is the same as a common contract, they all define the terms and rules related to the participants. Once the contract is started, it can run in the way it is designed.

High Availability-Trusted network structure, user assets, intrinsic value and high level of decentralized consensus comes with an improved reward distribution mechanism DPOS Consensus-TRX Network uses democratic voting to create a governance structure for community autonomy To achieve.

MISSION & VISION

- Our mission is to become more peoples to millionaires as it is possible.
- Our vision is to provide financial freedom to everyone all entire the world.
- We are happy to successfully give a earning opportunity via global platform.

Contents

DECENTRALIZED
